Dear Mikkel Wax:

RE: Your participation in the employer panel for the Regional Roundtable meeting – May 2017

The Workers Innovation and Opportunity Act (WIOA) Program would like to thank you for your recent participation in our recent Regional Roundtable meeting. Your participation in the question and answer panel, alongside the other employers, was definitely one of the highlights of our meeting. It was an honor to have you as one of the members of the panel.

We believe that the knowledge you shared will help immensely in the development of the local workforce and eventually translate in to better programs and services for both employers and job seekers.

We know your time is precious and we are grateful you shared your time with us. We look forward to your participation in future events.

Again, thank you.

Kind regards,

Fred Garcia
