

## Hot & Cold Strip Cutting Machine (HC-51)

Hot and cold automatic strip cutter with top / bottom line marking and ultrasonic hole punching.

### Features

#### Features

The HC-51M-U can do up to 30 hole punches (ultrasonically) and line marks on each cut piece. Locations of hole punches and line marks are programmable. Machine has the capacity of 500 memory locations.

#### Advantages

- The top and bottom rollers on our machines are gear driven. The rollers on other strip cutters stay in position with springs, because of this exclusive feature there is no slippage of material
- The tolerance on the HC-51M-U is +/- .05% of total cut.
- All Sheffield machines have adjustable speed and the machines measure in inches and MM.
- AUTO SHUT OFF: If the operator does not use the machine within a preset time the machine will automatically shut OFF the power to the heating elements.
